

CONFIRMATION INFORMATION

Through Confirmation preparation, each candidate will explore how to live out and renew Baptismal promises while deciding how to be open to receiving God and the Holy Spirit. Morality and Christian character issues will also be focused on during this time. Students in 8th grade will participate in a retreat, have a one-on-one interview with a parish pastoral minister, volunteer their time through a variety of Christian service projects, and participate in other activities to round out their preparation year.
