

## **St. Mary's Catholic School of St. Clair**

Dear Friends,

On behalf of the students and staff of St. Mary's School, I would like to thank you for coming tonight and supporting our school. This event helps us to continue to offer the top quality education that the students and parents of St. Mary's expect and deserve. Your participation in raising the necessary funds is crucial and again, thank you for being here tonight.

As you look over (and bid) on the items that are up for auction tonight, please take note of the businesses, associations and families that have contributed to this occasion. Please patronize these businesses that have generously supported this event. Without them and our many volunteers, this night would not be possible.

Sit back, eat a good meal, and enjoy each other's company. Have a little fun on the dance floor and bid generously. We are thrilled that you are here and I hope that this evening will be an enjoyable one for you.

God Bless,

Gary Tomlin  
Principal
